

## PRODUCT SUPPORT BULLETIN BULLETIN NO. 293

DATE: **May 6, 1999**

MACHINE: **Auto-Lift**

SERIAL

NUMBER(S): **All with Remote Control Plate Pushers**

SUBJECT: **Adjustable Plate Pusher 96790134**

The Remote Control Plate Pusher Assembly had been modified to be height-adjustable.

The Plate Pusher Head, part number 81470005, has been modified to provide up to 8" of adjustment in the length of the pusher assembly. The adjustment can be made in 1" increments and will allow adjustment to compensate for different operator heights. The operator will be more comfortable and productive.

All Plate Pusher Assemblies sold since June of 1998 have this feature. The Plate Pusher Head can be ordered separately to make older pushers adjustable.

Contact your NORDCO representative or the NORDCO parts department for the current prices.
