

PRODUCT SUPPORT BULLETIN BULLETIN NO. 331

DATE: **July 25, 2001**

MACHINE: **Model C Spike Driver**

SERIAL
NUMBER(S): **All**

SUBJECT: **Longer Spike Gun Lock Pin – p/n 54264452**

The Spike Gun Lock Pin has been lengthened to allow a retaining pin to be inserted into the Lock Pin. The retaining pin will keep the Driving Gun Assembly in position while the lower Workhead Plate is removed for repair. This pin is directly interchangeable with the original, shorter pin, part number 54264350.

This longer **Lock Pin** is part number **54264452**.
The **Retaining Pin** is part number **5357 1506**.

The **Lock Pin "Handle"**, part number **3385053** is available separately or it may be reused from the shorter pin.

All Model C Spike Drivers built after August, 2001 will be equipped with this pin as standard equipment

Please contact your NORDCO Representative or the NORDCO Parts Department for pricing and availability.
