Maintenance of Way ~ Work Equipment Bulletin

DATE: January 15, 2003

SUBJECT: BTI Replacement Wear Parts

RATING:

<input type="checkbox"/> DIRECTIVE (Action is required)	<input type="checkbox"/> ALERT (Potential Problem)
<input checked="" type="checkbox"/> INFORMATION (Action is optional)	<input type="checkbox"/> PRODUCT IMPROVEMENT (Enhance Product)

MACHINE MODEL(S): Groundhog, G2, M, M2 Ballast Regulators

SERIAL NUMBER(S): All

SUMMARY: NORDCO has expanded its partnership agreement with Ballast Tools, Inc. (BTI) to market selected replacement wear parts for NORDCO ballast regulators to the railroad industry.

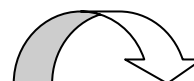

OPERATIONAL IMPACT: Wear parts will be available from both BTI and NORDCO for the same price and with the same quality.

ACTION: See listing of parts available for NORDCO Ballast Regulators on the following page.

NORDCO also stocks BTI Nipper Hooks, p/n 44044340, for NORDCO Spike Drivers and Tie Clamp Jaws, p/n 46670021, for the NORDCO TRIPP Tie Inserter/Extractor.

Contact your NORDCO Representative or the NORDCO Parts Department @ 1-800-647-1724 for price and availability.

WARRANTY: Standard NORDCO 90-day warranty on defects due to material or workmanship.
