

Aftermarket Parts Report

Current information on Nordco Maintenance-of-Way machine parts and kits

Get back issues of the Aftermarket Parts Report

Issue 3 March, 2009

Did you miss an issue of the Aftermarket Parts Report? Just go to our website at www.nordco.com and click on "Parts" on the navigation bar. Then select "Aftermarket Parts Report" on the left side of the page for a list of previous issues, along with a summary of what was included in each.

The Aftermarket Parts Report includes useful information on a wide range of topics, such as Nordco Machine Spare Parts Packages. Pictured is the Auto-Lift LS Basic Package.

Featured product: Bulkloader Walkway Kit

Part number: 98410513

Can be used on: Most Nordco CX Hammers and many Model C Spikers with push bulkloader.

What it does: Ladder and platform provides access to service components on the upper portion of the machine cab.

Description: The Bulkloader Walkway extends over the bulkloader, providing a rigid platform for the service technician in the field or in the shop. It makes it easy to reach the air conditioner, travel lights, work lights and rear window. The Bulkloader Walkway is constructed of strong, lightweight aluminum. The Walkway stores in an upright position against the back of the cab when loading spikes, helping to protect the rear window. It includes a ladder that can be attached to both sides of the bulkloader. Handrails provide three-point-contact.

Nordco Bulkloader Walkway Kit 98410513 stored in the upright position for travel or spike loading.

Handrails provide three-point-contact. The vertical handrails are stored on the sides and the ladder on the rear of the bulkloader when not in use.

Featured in next issue: CX Hammer Swivel Seat Kit

For more information on kits, visit our website at www.nordco.com, or contact Nordco Parts Sales at 1-800-647-1724, or at Parts_Sales@nordco.com.
