Nordco**

Get complete, **UP-TO-DATE** parts manuals at w.nordco.com

Need information on Nordco machine components? Then check out www.nordco.com, where you can find electrical, mechanical and hydraulic manuals - **UPDATED DAILY** - for all current and most older Nordco Maintenance-of-Way machines. Starting in 2010 we began posting our popular all-inclusive machine DVD online. Now we've gone one step better. Rather than periodically uploading an updated DVD, we now add new and modified manuals to the website as soon as they are available. **That means you are assured of accessing the most complete, current Nordco parts information.**

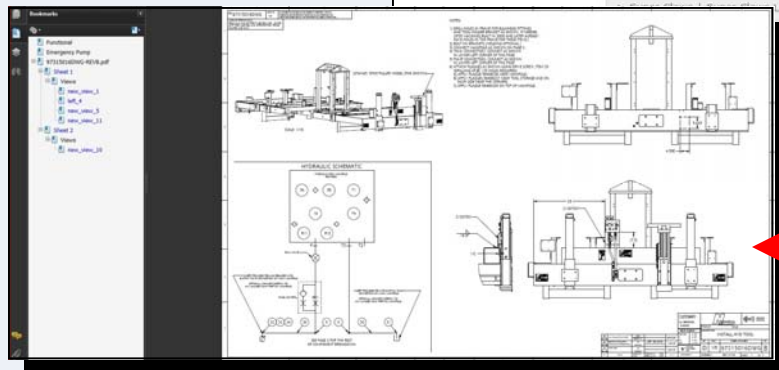

1. Go to www.nordco.com and select Maintenance-of-Way Machinery. Then go to PARTS and click on Online Parts Manuals.

3. Select serial number range.

2. Select machine type.

4. Select manual.

5. Current manual will be displayed in PDF format.

The DIN Cable Kit with Dry Bag is a useful item to have available on the CX Hammer, TRIPP Tie Exchanger and most other Nordco machines.

ANCHOR APPLICATOR SPARE PARTS PACKAGE INTRODUCED

Nordco has created a Spare Parts Package, SPAAF01E, for the Anchor Applicator F machine. There are 31 different Spare Parts Packages available for most current production and many older machines, with more scheduled for introduction in the near future. Packages include critical and frequently ordered components. For a complete, searchable list of Spare Parts Packages, visit the PARTS section at www.nordco.com.
