

Spike Tray Dust End Cap Kit

Spike Tray Dust Chute with Cap Kit

Nordco has introduced the following kits for use on the CX Hammer, 99C and Model C Spiker. They are designed to seal off the operator end of the Spike Trays, preventing dust from blowing onto the machine

Nordco CX Hammer

98410256 Spike Tray Dust End Cap attaches to original 98410220 Dust Chute Spike Tray. 98410257 Dust Chute with End Cap is a complete Dust Chute and End Cap assembly that upgrades 98410220.

SPIKE TRAY DUST END CAP KIT

Nordco part number 98410256

Machine serial numbers: All CX Hammer, Model C and 99C Spikers

This kit consists of End Cap and hardware to add to the original SPIKE TRAY DUST CHUTE KIT 98410220. Each kit upgrades one tray, four required per machine.

SPIKE TRAY DUST CHUTE WITH END CAP KIT

Nordco part number 98410257

Machine serial numbers: All CX Hammer, Model C and 99C Spikers

This kit replaces the original SPIKE TRAY DUST CHUTE KIT 98410220. It is the same as the original spike tray, but also includes the End Cap. Each kit upgrades one tray, four required per machine.
