

## Bolt-On Spike Tray Assemblies

Nordco has developed the following kits for use on Nordco CX Hammer, Model C and 99C machines, all serial numbers.

*Nordco CX Hammer.*

*Nordco Bolt-On Spike Tray Assembly.*

### PRODUCT DESCRIPTION

Bolt-On Spike Trays Assemblies make it possible to change the entire component in one operation, a major time-saver, especially during the busy construction season.

- One installation: Combines Tray, Tray Head with Bolt-On Guide, Feed Cylinder and Pusher Block Assembly into a single preassembled unit.
- Speed machine maintenance and reduce downtime.
- Contact Nordco Parts to determine the correct assembly for your machine.
- Available with optional carbide inserts on wear surfaces for longer life.
- Install in shop or field.
